We will have a short meeting on Thursday evening after the service and collect money (cash only) at that time. We will meet on Friday morning @ 8:45 a.m. in front of the prayer chapel and carpool together. If you plan to attend, please email me so I can get a head count for the trip.

We will also be having a College & Career evening of fellowship & food after the Friday evening service in the Children's Activity Building. More information on this at camp.

So plan to attend!
